

MANSI SATKAR

[LikendIn/mansi](#) • mansisatkar98@gmail.com • +91 7987715191

PROFILE SUMMARY

- Critical thinker with an instinct for design, who plans to use these qualities in a front-end developer role that allows me to further develop my skills.

TECHNICAL SKILLS

HTML5 | CSS | JavaScript | ReactJS | NodeJS | Responsive Design

PROFESSIONAL EXPERIENCE

Amazon India – Associate in Machine Learning

September 2022 – Present

Performance Dashboard

- Individually worked and designed a team performance dashboard using **SharePoint** and **rest API** for **CRUD** operations, **React** using **CDN** and **JavaScript**.
- This dashboard is currently in operation across both Hyderabad and Chennai branches.
- Collaborated with teams to optimize AI tools, improving the doorbell system's ability to identify crucial scenarios and handle errors efficiently.
- Gained experience in collaborating with team managers and Upper Management.

1 Efficiency

- 1Efficiency provides one platform to bring together all stakeholders around building efficiency through data analysis, energy intelligence, and advanced applications.
- Designed and developed the UI interface for a database of customer data in our internal Snezana and Niagara tools using **HTML5**, **CSS**, **JavaScript**, and **NodeJS**.
- Partnered with the AGI team to develop an interactive front end for handling increasing errors that further increased the error efficiency by 20%.

INTERNSHIP

Elearn Infotech – Intern

September 2023 – February 2024

- Contributed to UI Development tasks for the main product under senior supervision.
- Assisted in the selection of and implementation of JavaScript programming practices.

EDUCATION

Rungta College of Engineering and Technology
CSVТУ

2016 - 2020
